MEMORANDUM – 22-002

TO: Holders of "Truck Sizes, Weights, and Permit Manuals," Self-Issuing Permit Holders, and All Permit Issuing Authorities

FROM: Marc Anderson - State Maintenance Engineer

DATE: December 6, 2021

SUBJECT: **Oversize movement on US 26/89 in Jackson (Long Term)**

In an effort to better plan for movements of oversize loads on US 26/89 through the town of Jackson, the Jackson Police Department is requesting a **same-day notification of not less than three hours prior to arrival in Teton County** for all loads 15 feet wide or wider, 90 feet long or greater and/or 15 feet high or greater. **A police escort through town is not required**, but may be requested at the time of notification, if needed.

All oversize loads are requested to use the posted truck route through the town of Jackson. Additionally, due to traffic volume, all oversize loads are requested to avoid travel through the town of Jackson between the hours of 6-9 AM and 4-7 PM.

Notification of travel should be made through the Jackson Police Department Dispatch at (307) 733-2331.

This is an updated memo for 2021/2022 and replaces Memo #21-002, which should be removed from your book.

For a current listing of all highway restrictions, go to <http://www.wyoroad.info>; select **Size and Weight Restrictions**, then select **Size/Weight Restriction Summary** or **Choose a route**
